Assumption University Announcement

No.10/2021

Subject: Further Extension of the Preventive Measures to Mitigate the Outbreak of COVID-19 for AU Students, Lecturers, and Academic Support Personnel

Pursuant to the statement issued by the Center for COVID-19 Situation Administration (CCSA) regarding the spread of COVID-19 in many provinces, causing serious concerns as the University is located in the high surveillance zone, and thus requiring close monitoring and evaluation of the state of affairs to ensure smooth operations as such;

Bearing in mind safety as priority and in consistent with the current situation, the University deems it appropriate to extend the preventive measures to mitigate the outbreak of COVID-19 for **AU students, lecturers and academic support personnel until the end of the summer session 3/2020 (until May 31, 2021)**. To ensure smooth operation so as to prevent any detriment that may have occurred, directors of support units are to make appropriate arrangements for academic support personnel to dutifully work on campus; the others are to be assigned to work from home under the consideration of the Vice Presidents or Assistant President in charge of such units. All personnel who are not assigned to work on campus must be available for work at a moment's notice and strictly observe the preventive measures against the COVID-19 outbreak.
